Encounter the wilderness. **Severin Safari Camp**

## Experience the vastness

To be one with Kenya's incredible natural world, witness the amazing tropical sunset and sun rise, hear the sounds of the wilderness – Severin Safari Camp\*\*\*\*S offers it all. As an extension of the Severin Sea Lodge, we have created a spot for you in the middle of the wilderness of Tsavo West National Park, which reflects our deep connection with the land like nothing else.

Our ample, octagonal tents, create a feeling of African life with their traditional furnishings, and provide a private place

for you to find peace when you return from your game drives. From your tent, you can enjoy the view of the grandiose African landscape and wild animals that pass by the water hole unhindered by day and by night. Massai warriors provide for your safety around the clock, and further represent the harmony at Severin Safari Camp between humanity and nature. Experience pure Africa and become part of a world that is remarkable and fascinating like no other.

Set out on new adventures!

## Enjoy luxury

Luxury in the wild – at Severin Safari Camp that is no paradox. Our camp meets ecological tourism standards in order to ensure that the park's sensitive ecosystem is preserved. This allows humans and animals to coexist in harmony.

Friendly service and comfort await you at camp in the middle of the African wilderness. All of our 21 octagon tents are equipped with running hot and cold water, shower, separate toilet with bidet, comfortable beds with mosquito nets and a private terrace. The four stonewalled junior suites

have a separate lounge, a sun deck with sun beds and a private courtyard with outdoor shower. The look-out decks of the roomy suites offer a splendid view of Mount Kilimanjaro and the expanse of the savannah. Our butler service is available for a private dinner in the suite.

The TÜV-Rhineland in Germany, an internationally well-known certification company, awarded the camp for its first-class service performance and its SPA quality.

Experience the unique freedom of senses at our KENBALI SPA: Inspired by

the African wilderness and ancient South East Asian techniques for relaxation, our Wellness area is an oasis of calm and relaxation. Your body, spirit and soul will be pampered, rejuvenated and restored to harmony. After your day in the bush, enjoy the fantastic backdrop of the wilderness from the pool or relax with a pleasant massage in an absolutely private atmosphere.

After an eventful day in the bush, culinary à la carte delights await you in our Out of Africa Restaurant. Enjoy a glass of good wine by the campfire and watch animals moving around as the day draws to a relaxing close.

Use your stay at the camp for a conference or an incentive. Our 80 m<sup>2</sup> Baraza Conference Tent has variable seating arrangements for up to 30 people and is equipped with modern technology. W-LAN access is available throughout the camp. This is an ideal location for undisturbed meetings in the bush.

We aim to make your time with us special and especially interesting for you. We will give you a glimpse into the history and culture of the land, the life of the people as well as the flora and fauna – precisely Kenya in all its facets. Experience it for yourself!

## Become curious

Severin Safari Camp is the ideal location for guided safaris and unforgettable excursions in the surrounding areas. The camp is located in Tsavo West National Park, the largest game reserve in East Africa, approximately 250 kilometres from Mombasa and Nairobi. We can organise transfers in the safari mini-bus or fly you directly to the nearby airstrip. All-terrain-vehicles available for excursions are on standby. Discover the natural beauty and unique fauna in a magnitude which cannot be found anywhere else in Africa.

The camp management offers numerous activities for an extended stay at Severin Safari Camp. Sunset at Poacher's Look-out with sparkling wine and canapés or the bush barbeque in the midst of this incredible setting are among the special experiences. Or you can discover the secrets of the African wilderness on foot! Accompanied by a Massai familiar with the area, you head into the bush early in the morning in search of tracks. The incomparable vastness of the grasslands that appear to extend into infinity will remain with you.
