Safari Njema!

Travel authentically

Let yourself be enchanted by Kenya's natural beauty on safari. Here is Africa at her most authentic: herds of antelope and zebra, powerful elephants and buffaloes, proud giraffes loping in front of you. Enjoy the unknown stillness, eavesdrop on the animals sounds in the distance, and experience the surreal Savannah. In robust Safari-trucks with retracting panoramic roofs and accompanied by our expert tour guides, you will capture the wilderness on our "close contact" safaris. We will take you to visit Poacher's Lookout, the Roaring Rocks, the rhino

sanctuary and the fresh-water of Mzima Springs. A visit to Tsavo National Park, complete with its view of Mount Kilimanjaro, will make for an unforgettable Safari experience. You will overnight in comfortable lodges and camps. At the campfire, you'll be able to enjoy a gin tonic or a nice glass of wine.

For a unique experience, investigate the African wilderness by foot! Accompanied by one of our Massai guides, knowledgeable in every aspect of the area, you will leave early in the morning on the search for tracks, and learn the particulars of the ecosystem and the diverse bird life in Tsavo National Park.

By booking with Severin Tours & Safaris, you will make your vacation into a once in a lifetime experience. Friendly people, a rich history, a diverse culture, exotic flora and fauna – Kenya has it all.

Join us for this unforgettable adventure!

Culture beyond the wilderness

In addition to the thrilling safaris in Kenya's national parks, experience unforgettable excursions in and around Mombasa.

Learn about Kenyan culture during a city tour through Mombasa, or with a visit to a traditional Giriama village. The inhabitants will be happy to give you a glimpse of village life. Learn all about their architecture, agriculture, education and family life.

You can also board one of our traditional Arabian Dhows and sail along Tudor Creek towards the old harbor

while enjoying the breathtaking sunset. From there, you will be able to walk through the old city of Mombasa to the striking Portuguese built Fort Jesus. In the ramparts of the Fort an impressive sound and light show awaits you, telling the story of the rich history of this port city. The highlight of your evening will be a fine candle lit dinner in the courtyard of the fort. Interested in sampling typically Kenyan fresh fruit? We will arrange for you to visit our organic Seba Farm, where our Farm Manager will show you how pine-

apples, cassava, and piri piri are grown. Whether an excursion into Swahili culture and traditions or our Severin Dream Safari – our tour guides will help you to discover the beauty of Kenya.
